Visit Meso India

Anxious about your next medical appointment?

At Meso, we believe that

"An apple a day does indeed keep the doctor away"  
but with a condition - If you do have to visit one,  
the experience should be cherishable!

Don't wait in queues anymore!

- Book appointments online in a hassle-free manner
- Receive real-time updates about the progress of the queue.
- Get first-hand information as they happen about any delays, and see a curated ETA(estimated time of appointment) to plan your trip before-hand
- Receive the prescribed medicines at your doorstep at the lowest prices .

Our Mission : We strive to develop a holistic system to manage the entirety of logistics involved in an interaction with the medical system in a smooth and efficacious manner. We primarily focus on queue management in the hospital scenario. Additionally, we help our users in buying medicines online easily at lower costs.
